Awards

Road Safety Award 2023

The Road Safety Award is to recognise activity within our region across the highways and transportation sector that is impactful, and innovative and provides outstanding achievements which improve 'all' road user safety through excellent practice, commitment, design, and technical application. These activities will be leading the sector towards a highly resilient, safe, and sustainable future.

With a focus on working towards zero death and serious injury on our road networks, this award welcomes entrants from both industry and academic institutions. Entrants should focus on making the highway network a safer place through the implementation of new processes, activities, projects, or solutions that achieve real and demonstratable results. This could include positive safe and sustainable action and outcomes for local communities, schemes or projects initiating the application of a safe system approach. Schemes or products that contribute to casualty reduction are welcomed for this award.

Entries must clearly explain how the submission meets the criteria specified.

Judging Criteria for the Award:

- Validation / Description - how does this entry meet the award description? (10)
- Solution development – why and how was this solution identified? (20)
- How has this work been delivered? (15)
- Results and Evaluation (data, KPIs, etc.,) (15)
- Demonstration of Sustainability (10)
- Quality of submission (5)
- Any additional attributes, please consider the following examples (10):
 - Value for money
 - Efficiencies, cost savings
 - Ease of use
 - Alignment with strategy e.g., [CIHT Strategy 2022+](#)
 - Etc.

How to enter

To enter this award please complete an [Entry Form](#) and provide a 1,000-word maximum (not including tables, figures etc.) supporting document on your entered project, and return it to regions@ciht.org.uk.

Please ensure that you have read the [Important Submission Information](#) before submitting your entry. **The deadline for entries is 23:59 on Monday 14 August 2023.** Shortlisted entries will be notified in September. Winners will be announced at

the CIHT EM Awards Dinner at the Nottingham Belfry Hotel on the evening of Thursday 9 November 2023 and details published through a variety of media platforms.
