SOUTH EAST ROADS 2012

WORKING TOWARDS A FREE FLOWING NETWORK

CIHT South Eastern Branch seminar

CIHT seminar – May 2012

John Burr
Director of Highways &
Transportation

The challenges

Travel map of PHX to London, United Kingdom

Challenges

‘We’re Engineers!’

The public are Engineers

Expectation vs policy vs budget

It’s all about the outcomes?

Less for less is not an option

Gateway to Europe/Impact of HA network/Proximity to London

Success.

The facts

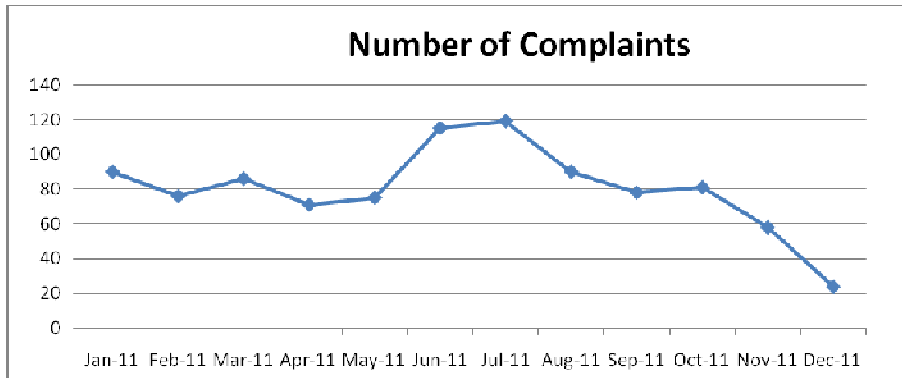

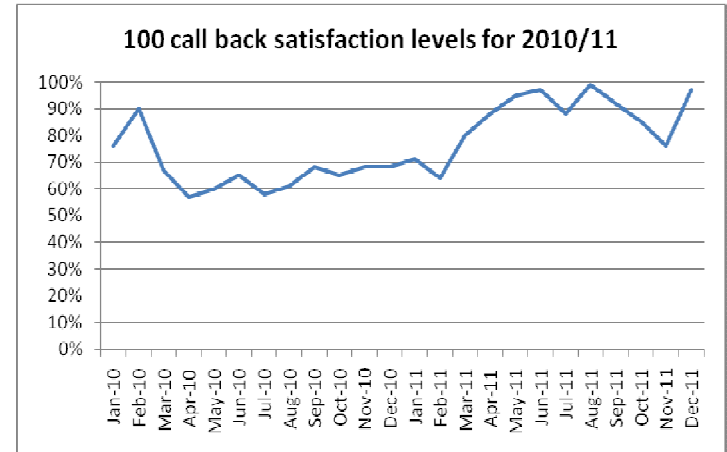

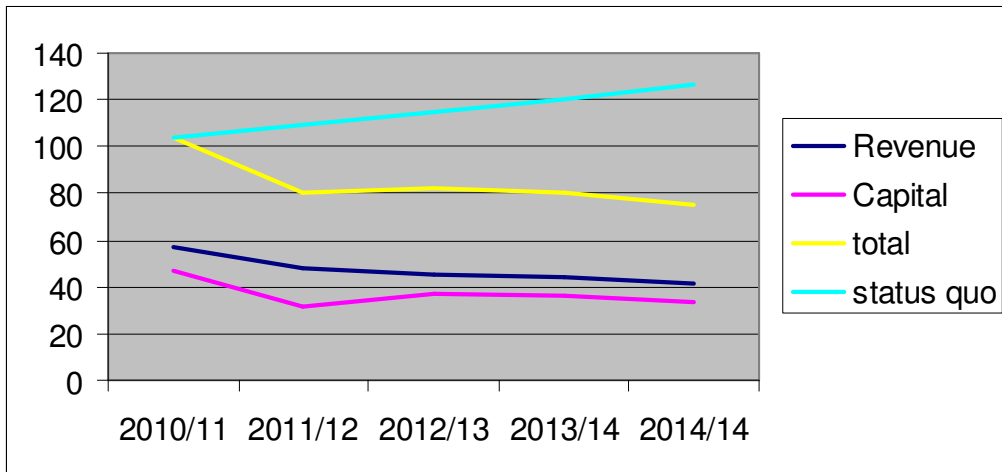

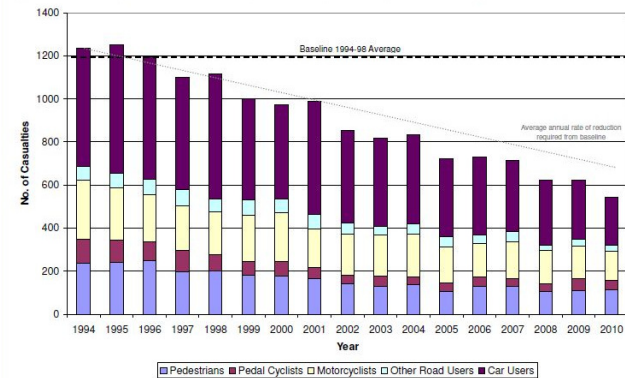

Figure 1 2010 target –KSIs on Kent (KCC & HA) roads by road user type
